Job Description

Jinyi Capital is a fast-growing private equity investment firm founded by industry veterans with global mega fund experience and over 10 years of private equity track record in China, and backed by a broad network of top industry leaders and institutional investors. Our core team comes from top-tier investment institutions (e.g., Carlyle, TPG, FountainVest, Greenwoods, Hony, CICC, New Horizon, Goldman Sachs, Deutsche Bank) with excellent education backgrounds. Jinyi Capital has been consistently recognized as one of the leading private equity firms in China by industry organizations such as Zero2IPO, FOF Weekly, Chinese Venture, and ChinaVenture.

Our internship program is designed to provide interns with real hands-on experiences and significant deal exposure. Our team looks for interns with strong analytical skills, real passion for investing and outstanding work ethic. Interns are expected to support investment professionals on both live deal execution and industry coverage.

Requirements

-Strong work ethic
-Prior work experience in investment, banking and/or consulting is strongly preferred
-Background in accounting, finance, or economics is preferred but not required
-Excellent communication skills
-Basic understanding of private equity practice
-Excellent academic track record
-On-site internship is preferred but not required (考虑目前各地疫情政策对返校可能造成影响，短期若无法 on-site 也可以具体沟通)
